

## Safeguarding Your Accounts

PMWVG employs the same safeguards as other large investment firms, but with a more personal, customized approach to investing. The following breakdown shows how PMWVG compares to other large investment firms.

### Example of a Large Investment Firm

- Custodian – National Financial Services, LLC (NFS), Charles Schwab, etc.
- Broker / Dealer – Fidelity, Schwab brokerage, etc.
- Account Management – Each representative handles hundreds, and maybe thousands of accounts; high turnover

### Pogson & Matt Wealth Management Group

- Custodian – TD Ameritrade (TDA)
- Broker / Dealer – None
- Account Management – Each partner handles 25-50 accounts; commitment to long-term service
